

ALZHEIMER'S DISEASE & RELATED DEMENTIAS (**ADRD**) PROGRAM

WHO?

People with **Intellectual or Developmental Disability (I/DD)**,
Traumatic Brain Injuries, and **Autism**

WHAT?

Caregiver Respite,
Community Resources,
Connections, and more!

WHY?

People with I/DD are at a higher risk for early-onset ADRD.

This program **supports community-based living** for
people **living with I/DD living with or at risk of ADRD.**

Contact our Focused Population Case Manager for more
information!
