A County of Ventura Program

## Program Exit Guidelines

Ventura County HomeShare (“HomeShare”) is a non-discriminatory, equal opportunity, shared housing program. We strive to serve Ventura County residents regardless of age, race, religion, sexual preference, or socio-economic status. As part of this program, HomeShare requires everyone to provide copies of identification and Social Security cards, provide references and pass a criminal background check. If a person is having trouble meeting any of these requirements, he or she should talk with staff to discuss alternatives.

In the case a participant becomes inactive, notification will be mailed to the address of record. Below is a list of reasons a participant may no longer receive services and be made “Inactive” in the program:

- Falsifying information
- Damage done to HomeShare property, the property of a home provider, or the property of a home seeker
- Inappropriate behavior or boundaries toward a staff or program participant
- Crimes or illegal activity committed while in the program
- Non—compliance with substance abuse or mental health treatment
- Unable to contact a non-matched program participant by phone, email, and mail after 3 months of trying
- Failure to comply with services or rent contractually agreed upon by the home seeker and home provider
- If the home becomes uninhabitable or not fit for home sharing

Staff exercises their right to exit anyone from the program if they fall into one of the above categories. This list is not comprehensive and someone may be made inactive for another reason. In addition, staff may use discretion at any time and allow a participant to stay in the program, based on the nature and context of the offense.

I, \_\_\_\_\_, have read and understand the above guidelines. I acknowledge that anything listed above may result in my dismissal from the program, and that I am responsible for my own behavior toward staff, volunteers and fellow program participants.
